## MISSIONARIES TO BRAZIL

June - July 2019

Dear Fellow Laborer in Christ,

Thank you for your love and support for our family over these past two months. We have been able to present during this time in the state of Oklahoma. Along the way, we have made new friends with some missionaries, pastors, and church members while presenting our ministry.

We have now spent the past two months full time on the road. I have had numerous opportunities to preach, go soulwinning, and fellowship with pastors. As missionaries, one of our jobs is to be a soul winner for Christ. One night after sharing our ministry at a church, I met two young adults at Sonic. I was able to give them Gospel tracts and talk with them about salvation. While they did not ask Jesus in their hearts at that time, they sat and listened as I showed them the Bible way to Heaven. Sometimes we reap, other times we sow, but it is He who gives us the harvest. I am thankful for the Lord allowing us to cross paths with them and share the Gospel of Christ. Another time while washing our clothes at a laundry facility, I met a lady who noticed we were Christians. We began to talk, and she told me about her son who takes missions trips to Brazil. We were able to talk and both be encouraged. My wife is still able to go soul winning with me, but she will soon have to stop due to health factors in her pregnancy. I praise the Lord for a wife willing to serve to the best of her abilities, please keep her in your prayers.

I had mentioned in our last prayer letter that we are expecting another child. We found out about two weeks ago that it will be another boy! We are so excited and grateful for the blessings God has given us through our children. Rebecca is expected to have some difficulties as a result of her last pregnancy, so we ask that you pray for the health and safety of her and our baby boy. As we travel, we are required to be back in the Dallas area once a month for Rebecca's doctor's appointments. This proves to be a challenge while traveling as we try to work with pastors on dates to present.

We have had four churches recently take us on for monthly financial support. The Lord is continuing to line up meetings and conferences for our family to share our burden for the ministry. Please pray the Lord will provide through these meetings a way for us to get to Brazil.

Some prayer needs: Prophets chambers to stay at in between meetings, new tires for our vehicle, and a healthy pregnancy for Rebecca and the new baby.

Sincerely,

The Butler Family
